THIS IS UNEVALUATED INFORMATION

25X1

Identification Data

1. Refer to page 3. for an overlay of [redacted] Sofia, showing the pinpoint locations of the Bulgarian Air Force Technical School and the headquarters of the Bulgarian Air Force Staff. 25X1
1. Bulgarian Air Force Technical School. Its approximate boundary is indicated by the broken line.
2. The headquarters of the Bulgarian Air Force Staff, a compound which contained several three to four-story brick buildings enclosed by a three-meter-high brick wall. The buildings were not adjacent to the streets. (See page 4. for [redacted] sketch of the compound layout and surrounding features.) 25X1

The Bulgarian Air Force Technical School

2. [redacted] this installation was an air force technical school. [redacted] 25X1
- a. The courses in electro-technology lasted for one year.
- b. Soviet text books were used in the school.
- c. Every student-officer was issued a box of secret technical manuals which had to be returned to the school's "secret section" at the end of each school day.
